

PeopleSoft Announcement - Students

On **February 15th, 2015**, a newly designed Transcript and Academic Record will be implemented in PeopleSoft. This means that both the electronic and print versions of the Official Transcript, Unofficial Transcript, and Academic Record are going to have a new look! The ordering/requesting process **WILL NOT** change as a result of this implementation.

We really tried to improve the look and reduce the size of these documents with this project, so hopefully you agree... Only you can improve your grades; we've done what we can to improve how they look on the paper or pdf! Enjoy ☺

Note: Internal and external schools/organizations to which you may be sending your transcripts will be notified of this change. If there are any questions, please contact the University Registrar's Office (URO) at (412) 624-7620 or transcert@registrar.pitt.edu.
