## **Standard Course Meeting Times**

During the fall and spring semesters, all departments requesting Registrar-controlled rooms must follow the standard course meeting times (listed below).

Note: The Academic Calendar is designed to mitigate for lost class time due to holidays, but due to how the calendar may fall in a given year, is not always possible. Please take this into consideration when selecting class meeting patterns, especially in regards to those meeting only once a week.

A professor may request makeup sessions, but attendance cannot be required if it falls outside of the listed scheduled times. Also, students unable to attend such sessions cannot have their grades adversely impacted.

*If you have any questions regarding this document, please contact the Course and Class Scheduling Department.*
