G	0.00	Unfinished Course Work (Ongoing)	<p>Class work unfinished because of extenuating personal circumstances. A "G" grade is given by an instructor when class work is unfinished because of extenuating personal circumstances. When given a "G" grade, you are usually instructed to complete some clearly defined work (e.g. a final examination paper) within a specified period of time. The "G" must be completed no later than one year after the term or session in which the class was taken. You should not request or be given a "G" grade if, in actuality, you need to repeat the course. See "Course Repeat" for more information. Once the deadline has passed, the "G" grade will automatically change to "NG" and will no longer appear as "in progress" on a student record. The "NG" grade will remain on the record and the student will be required to re-register for the course if it is needed to fulfill requirements for graduation.</p> <p>Contact your instructor for details</p>
