Requirements that have a specific set of courses that can fulfill them will have a clickable list allowing you to easily see when those courses are typically offered.

Students can also use these lists to add courses to their planner.

Requirements that have been completed will be collapsed by default.

All courses that can fulfill the requirement will be listed in alphabetical order by department code and course number. You can also sort the list by any of the other columns by clicking on the title of that column.

The controls at the bottom of the section allow you to navigate through course lists with multiple pages.
